Financial sponsorship supports our conference and sends a message to Society of American Foresters members that you support them and value their work in sustaining America's forests! Please consider sponsorships to directly reach and interact with around 115 forestry professionals from industry, academia, state and federal government, and students from the Kentucky-Tennessee and Central Appalachia region.

Please contact Christopher Reeves (christopher.reeves@uky.edu or (859) 257-0174) to sponsor or claim exhibition space using the conference registration form!
