As you know, some of the goals of the Leadership Academy are understanding leadership to meet current and emerging needs, discovering your personal leadership style and skills, motivating new leaders in service to SAF, and networking with SAF leaders and volunteers. You can take great pride in knowing that your contribution will support this very important leadership program.

On a more formal note, to comply with the IRS requirements regarding charitable donations, we affirm that no goods or services have been provided by SAF in consideration for your contribution. Please retain this letter as proof of your gift for federal income tax purposes.

On a personal note, we extend our thanks to the members of the Text22: Kentucky-Tennessee SAF for membership in their professional society. With your support, we look forward to a very successful year.

Sincerely yours,
