A Century of Land Management in the Cumberland Mountains of Tennessee

Come enjoy an informative field tour of the Cumberland Mountains and learn about its resources and management over the last 100 years, as well as into the future.

The first day of the tour will consist of multiple stops around the area, taking in forest history, a chip mill, forest management, gas & oil exploration and coal reclamation, just to name a few. The tour ends with a BBQ supper at the TWRA Hatfield Knob Elk Viewing Area. The second (optional) day is a guided ATV tour of the Coal Creek OHV Area.

Attendees should arrive by 8:30 a.m. at the Cove Lake State Park in Caryville, TN. The Park is located adjacent to I-75 at Exit-134. Parking is available near the small amphitheater. Tour begins at 8:40 and will last till about 8:00pm. Vans will return to Cove Lake State Park.
